Val,
To a really sweet girl with a great personality. I'm really glad I got to know you this year in cheerleading. Even though we weren't on the same squad, we still had fun at all the practices and the pep rallies. Good luck next year in cheerleading and in everything else you attempt. Hope to see you next year! Have a terrific summer!

SPECTOPOLY

Marca Registrada
Dallastown Area High School Trademark
for its Secondary Education Game Equipment
1980

Dallastown's Secondary Education game Spectopoly was invented during the Spring of 1979 by a group of imaginative seniors who banded together to form the Spectator Literary Staff. Their intent was obvious, to battle boredom and frustration known only to students. The game portrays the only life they knew during the past four years, that life being of their existence in the hallowed halls of Dallastown High. The streets were named at random and any resemblence to people or situations here at Dallastown is totally accidentally on purpose.

The first games were crude, handmade and known only to the Literary Staff. As the game grew in popularity, interest was aroused and sales boomed. The Literary Staff, unable to handle the great demand, arranged to have a larger company take over the manufacture and production of the game.

Spectopoly is now published under license in 25 countries and in 15 common languages.

Object: The object of Spectopoly is to successfully complete 8,000 term papers, 2.5 million book reports, 6.9 billion science labs, 83 million algebra reading problems, 82 million world culture handouts, 81 million vocabulary tests, 80 million physics problems, and ONE Practically Living course without going insane or become a manic - depressive, obsessive - compulsive, psychotic, paranoid schizophrenic with delusions of grandeur that studies too much!

Equipment: The equipment consists of 1 school, 71 teachers, some 1500 odd playing pieces, 1 sequoia bark tablet, 1 number two (only!) pencil, and 1 blue book containing the rules and regulations of the game.

Preparation: All game participants must have completed 5 years of potty training (known as elementary school) and 3 years of intense study (known as the Middle School) where players learn the English language (how to say the abc's). Pre-algebra (how to count to ten), Astronomy (how to fall asleep with your head in an upright position), and how to play well with others at recess. It is invaluable that one have this well-versed background before even attempting to play Spectopoly.

The Play: Starting at "Go", a player begins as a chippy (very inexperienced player) and encounters many fines, rewards, and tricks. A player at this time has very little knowledge and the only things that keep him on his trek around the board are his determination to become a sophomore and the guidance received from others. If a player survives this first street he turns the corner to become a sophomore and continues along his way towards the cherished "Senior Street". As a player moves around the board, he is faced with the decision of participating in activities or not. Obstacles are also thrust in his way and a player's ability to cope with these obstacles, assignments, and extra-curricular activities will determine his achievements and whether or not he wins in the end.

Jail: A player lands in Jail when (1) he lands on the space marked "Go to Jail", (2) he draws two tardy passes or (3) he sees double three days in a row. When a player is sent to Jail, he cannot conduct social life with players outside of Jail and regardless of where he is on the board, he must move directly to Jail. A player's turn ends when he is sent to Jail.

If a player is not sent to jail, but in the ordinary course of play lands on that space, he is "Just visiting Jail", receives no penalty and moves ahead in the usual manner in his next turn.

A player gets out of Jail by (1) sobering up, (2) using the "Get out of Jail free" card if he's successful in stealing one, (3) purchasing a "get out of Jail free" card from another player who was successful in stealing one or (4) serving his allotted sentence. (Remember - even though a player is in Jail, he may conduct all his normal business transactions - homework!—)

Free Parking: A player landing on this space does not receive any rewards or penalties of any kind unless he does not possess a parking sticker or is acting in such a way as to get sent to Jail. The favorite times to land on this space are from 7 to 8am and 3:05 to 3:30pm.

Bankruptcy: A player is bankrupt when he owes more homework, time and dedication than he can pay. At this point he must drop out of the game and turn in all books to the school.

Winning: The winners of the game are those who complete the entire 4 year path and are awarded diplomas for their effort. Winners end the game on the "Go" space and are challenged to begin on a second path towards new goals.

Rules for a Short Game: Of course there are a few players that find a 4 year path unnecessary and are therefore eligible for the shortened version of Spectopoly. Those placed in this category play by basically the same rules except that they "Win" at the end of their junior year and continue on to their second path one year earlier. Players in this version include those of exceptionally high intelligence enrolled in the early graduation program.

GOOD LUCK!!!

STUDENT COUNCIL

Mr. Filizzi: Advisor

OFFICERS

Officers: Standing (L to R) Roseanne Givler, (Sec.) Felicia Feree (Treas.) Sitting (L to R) Ron Herman (Pres.) John Dolmetsch (V. Pres.) Eric Kern (Att. Off.)

This year's Student Council consists of 69 members who have been striving to expand and improve the activities and services that are traditionally sponsored. The first event of the year, the Homecoming Dance will be remembered for its unique decorations and theme. As the year progressed the Donut Program was expanded to include more variety. Student Council also sells refreshments at all home basketball games and wrestling matches.

This years activities consisted of a Carnation Day, Computer Dance, and a Cinderella Dance. These were all activities that had been tried in previous years.

In addition to these activities, many new and different ones were introduced. A Halloween Dance and Spook House were attempted. The "First Annual Wildcat Run" was a joint effort that was sponsored by both Council and Varsity Club. Perhaps the most interesting new event of the year was the Bluegrass Dance, which featured "John Farmer's Poverty Band".

It might seem that all council does is hold dances etc . . ., actually there is much that council works on that is unrelated to this area. During the year the Constitution was again brought to a vote on its revision, the Dress Code was revised to change with the times, the library's hours were extended, and the "Council Chronicals", a a monthly newsletter, was started. Our council also won the position of District E Representative, which involves representing some 170 schools in this area. We also hosted a Student Council Workshop that was attended by the York County schools.

Student council's main objective will always be the betterment of the school by working for the goals of the entire student body.

BOY'S BASEBALL

Dissappointment was written all over Coach Shoff's face as the 1979 baseball season came to an end. He had felt that the team had winning potential with six lettermen returning to the team. With a 3-4 record, the team fell short of their goals. In five of the games lost they had had a lead. The six returning lettermen: are: Scott Riddle, who made all-county; Craig Hess, Scott Lookingbill, John Kemper, Greg Plowman, and junior Rich Green, who was the leading hitter. Senior Greg Plowman led in the RBI's and in homeruns.

The JV team was undefeated this season, with Coach Gerber at the reins. He feels that the future of the program looks bright.

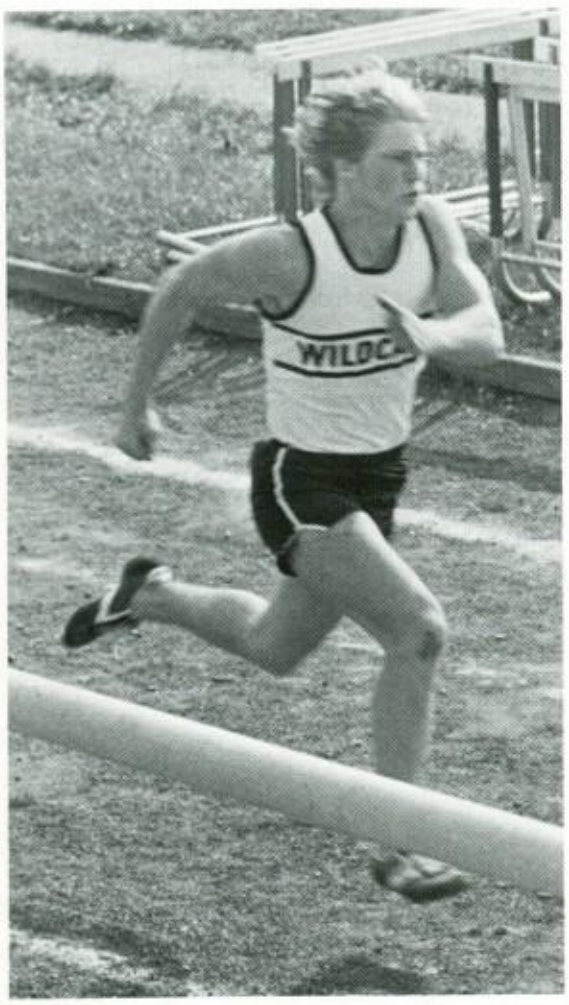
CINDER BLOCK



The Wildcat track teams met the 1979 season with a few changes in their coaching crew. Mr. Raymond Geesey and Mr. Robert Schenetzka, a former teacher of Kennard-Dale High School, assisted varsity coaches Mr. John Pitzer and Miss Donna Pasternak. Mr. William Zimmerman was assistant to Junior High coach Mr. Michael McWilliams.

The boy's varsity team had a disappointing league competition, but still managed to break five school records through individual and team effort. They also participated in the Elizabethtown Invitational, Shippensburg Invitational, Sonny Sheppard Relays and Suburban Relays.

Tha girl's team faired better placing second, losing only to rival Red Lion. They broke four school records and also participated in the Sonny Sheppard and Suburban Relays. Both teams sent participants to both the county and district meets.

The Junior High track team had a tough season with all their meets ending in a close decision. Three out of the six were in their favor. They also sent participants to the Elizabethtown Invitational, Sonny Sheppard and Suburban Relays. All candids in this section are through the courtesy of Lisa Shearer.

"It was a very disappointing season record wise, but I was pleased with the way the guys stuck together and did not give up on themselves," commented Coach Pitzer about this years Wildcat football team. Dallastown finished the season with a disappointing record of 4-4-2. After a fairly successful opening, with romping victories over Cumberland Valley and Vo-Tech, the team was stunned over the unexpected loss to Hanover. Regaining their confidence and composure, the Wildcats put the Fighting Irish in their grave with a 13-0 victory. Dallastown faced their second loss to Spring Grove, a top contender in the league, the following week. Although suffering from two defeats, the mighty Wildcats stuck together to tie the Bulldogs 0-0. The final home game was played against York Suburban. After a fourth quarter Touch Down, Suburban defeated the Cats in an uneventful 0-7 game. This still did not tie the raging Cats down, they marched back with a victory over Central 29-0. The season closed with an upsetting loss to the neighboring rival, Red Lion.

This years All-Star Defensive Team was represented by three fighting 'Cats—Rick Dover, Rick Oberdick, and Doug Starz. These 3 guys plus seniors Tim Clewell, Steve Trostle, Max Eberly, and Wayne Markel were the leaders of this years mighty Wildcat football team.

The girls varsity field hockey team captured third place in the YCIAA league. Under the coaching of Mrs. Sue Koller and lead by tri- captains Roseanne Givler, Pattie Kraft and Elaine Fitz the team compiled a 10-3 record. All three losses were by only one goal and two went in to overtime. This was the first year Dallastown hosted a night game. Held at 7:00, the wildcats defeated Red Lion 1-0 on the football field before a large crowd. Hanover proved to be another exciting game ending with a 3-1 victory for D-Town only after a penalty strokeoff.

Cindy Godfrey was voted MVP for the season. Roseanne Givler took top scoring honors with 13 goals, and will pass the victory shirt to Tina Diehl. Newcomer JV coach, Miss Joni Geist, lead her team to an undefeated season. With a record like that, next year looks very promising!

Val,
So a great friend + sweet person. Don't forget Lisa's party + all the times at lunch. I hope that we're in more classes together next year. I hope you keep coming to the 8-2-4 parties! You really help keep them lively! Well, have a great summer and take care! Call sometime!

This year's tennis team was comprised mainly of underclassmen with the exception of two graduating seniors. This was also the first season for coach Anne Wilson. The team didn't quite break even this year with its win-loss record of 4-6, but considering that it lost four of the five starters from last year, this record is more impressive than it appears. The closest match was against Hanover and was decided in a tie-breaker loss in second doubles.

If York County tennis continues to improve at the pace it has set during the past five years, Dallastown's girls will have their work cut out for them next year. The team should be more competitive next season since four of the five starters will return. All of the girls vying for positions on next year's team have committed themselves to specific programs for improving, and they are eagerly anticipating a winning 1980 season.

Despite a 4-6-2 record, this year's golf team played admirably against all of their opponents. It was a year with many close matches, most of which were decided by the fifth man.

Mr. Kehr termed it "a building year." Two sophomores and a junior were among the starters in every match. Despite a more competitive league this year, the golf team finished with a team average just over 69, which means we can look forward to future success on Divot Drive.

HARRIER'S WAY

CC (clockwise)-T. McCarty, L. Anderson, J. Koontz, S. Gunnet, B. Wagner, S. Longenecker, S. Kotek, R. Myers, B. Davis. Right-Coach Klinger, E. Yee, J. Snyder, D. Hill, M. Noll, S. Snyder, B. Neuman, S. Shearer, S. Land, P. Wilshere, V. Deller, A. Thompson (Mgr.)

The Cross Country team of 1979 ran through a disappointing season as John Klingler took over reign as coach. The team came into the season with high hopes, but injuries plagued it as varsity runners Tom McCarty and Scott Snyder were lost for most of the season. They finished with a 4-8 record, despite six returning runners. Senior letterman and four-year runner Joey Snyder led a young team that included juniors Lance Anderson and Randy Myers, Sophomores Bruce Wagner and Steve Land, freshmen Jim Koontz, Vince Deller, and Scott Longenecker, and seniors Steve Gunnet and Ed Yee fighting for top spots. Sue Kotek and Pam Wilshere were the female runners on the team. Kotek missed a chance at state competition but ranked fourth in the league among the girls.

Cross Country is one of the most grueling sports and the runners put out all they had. When asked to comment, Coach Klingler felt the team had a lot of talent and did a super job in a tough league. All of the meets had been close and Klingler was not at all disappointed by their performance. He also stated that next year's team would need a lot of depth plus good front runners.

The Wildcat Marching Band enjoyed a good 1979-80 season, the highlight of which was the trip to Memorial Stadium in Baltimore on October 7, when the band performed at half-time for the Colts-Jets football game. Overall, the band had one of the best seasons yet, with a dynamic and exciting show as well as performing in many parades and the POPS, Christmas, and Spring concerts.

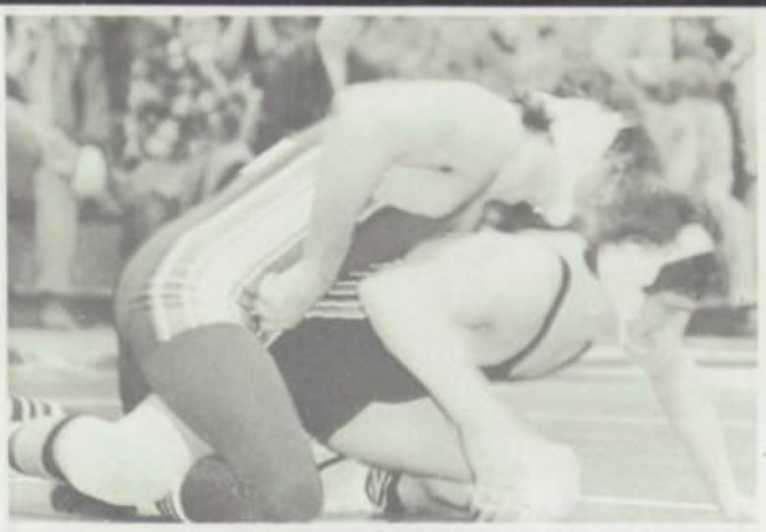
GRAPPLERS GROVE

VARSITY WRESTLING



Once more the mighty wildcat grapplers have upheld the tradition of Dallastown wrestling — the "Dynasty of the Champs." Under the expert coaching of veteran Bill Bence, the undefeated squad compiled an awesome record of 14-0.

Skeeter Dolmetsch started off the lineup at 98 lbs. In this, his first year of varsity action, Skeeter 'rassled his way to a 12-1-1 record. At 105 was junior John Dolmetsch. John finished the year with a promising record of 10-2-2. Next, at 112, came sophomore sensation Dave Gable. Dave went undefeated in league action. Senior Dale Wise compiled an 11-3-0 record as he dominated at 119. Following next was powerful Brooks Seitz. Brooks completed a 10-3-0 record in the 126 lb. class. Filling the 132 lb. berth came dynamic Dave Hartman. Dave finished with a strong 8-2-0 record. John Contino battled his way to an impressive 11-1-2 record at 138. Brent "Cement" Seitz handled things at 145 enroute to a record of 12-1-1. Lou Mazzarella came on strong at 155. Mazz ended the season with a compelling 12-2-0 record. Standing out at 167 was Mark Rineer. Mark closed out the season with a great 12-2-0 record. "Radical" Rick Dover took control at 185. Rick put together a tremendous record of 13-0-1. Last but not least came heavyweight Matt Bivin. Matt, a junior, went undefeated in league action even though he was lighter than most of his opponents. Dave Bell, 145, and Scott Fitz, 132, also saw some varsity action this season.

The Junior High wildcats have once again proved their worth by completing yet another undefeated season. Under the leadership of Coach Al Owens, the Jr. grapplers compiled an impressive 11-0 record. Coach Owens commented on the "well-balanced" team he had this year and he marveled over the fact that "when the chips were down, there was always a complete team effort to pull them to the top." Wrestling sensations Jim Contino and Mark Noll boasted undefeated records.

The 1979-80 Wildcat swim team had a very good season this year. The boys, ending with a 9-3 record, sent six swimmers and one diver to district competition. The girls, who broke almost all school records, finished with a 10-2 record, with eight swimming and two diving district qualifiers. Coach Patty Moore summed up the season: "Enthusiasm, self-motivation, and the ability to endure long hours of hard work were the key ingredients for their success. Except for a few disappointing injuries and illnesses, the season's goals were, for the most part, reached."

The Varsity basketball team came out of the gates full of energy and determination for the 1979-80 season. "This was really an exciting season. The guys really put their hearts into it," commented Coach Lehr about their 14-7 season. The team proved their determination with four wins out of the first five games, only losing to West York. Southwestern ended the drive, beating Dallastown at home. The next game went to the Rockets in a fiery battle ending 47 - 50. Suffering from two consecutive losses, the Wildcats pulled together to win the next five games over Hanover, Eastern, Vo-Tech, Red Lion, and Susquehannock. The winning spurt was laid to rest when the Trojans of Y.S. stunned the still powerful 'cats in a 53 - 89 game. The 'Cats regained their stature to defeat Kennard-Dale the following game. The mighty Wildcats were roaring with energy as they faced the fighting Irish team. But to their disappointment, the Irish once again came out the victors. Dallastown later racked-up two wins over Eastern and Vo-Tech. The late starting Red Lion team left Dallastown with a victory, retaliating from their previous loss to Dallastown. In a close game, Al Hevner laid up the final points in overtime to give Dallastown a triumphful and memorable victory over Susquehannock. Perhaps the most exciting game of the season was the powerful Y.S. Trojans. After previously being defeated, the energetic Cats demonstrated a skillful performance to win in an exciting double over-time game. This excitment eased as the mighty Wildcats showed KennardDale their stuff and knocked them down 74 - 57. The season ended with a hard fought battle between the Irish and the strong-willed Wildcats. With the final score of 39 - 34, the Y.C. Irish were victorious.

The leading scorer for the '79-80 season was Tory Harvey. Sharing the honor was leading rebounder, George Gladwin. Leading the team were starters Al Hevner, Tory Harvey, George Gladwin, Ron Griffith, and Al Martin. Other members include Richie Green, Jay Rexroth, Doug Striebig, Brian Fitz, Dave Jacobs, and Troy Hinkle.

This year's J. V. team displayed their skills in an exciting 14-7 season. Coach Gerber states that they were the quickest team he ever had. This quality was evident as the mighty cats went full steam to win their first 7 league games. Things slowed down as the Eastern (Knights) ended the cats reign as the undefeated. It was during the following game that the cats soared back into action to blank the Vo-Tech Spartans. The energy and determination was showing at the Red Lion - Dallastown game. However, the Lions pulled out a victory in the closing minutes. The Susquehannock Warriors were prepared to scalp the cats but it turned out quite the opposite as the Cats proved too tough in the game. The York Suburban Trojans, York Catholic Irish, and Eastern Nighthawks added more victories to their column as they stunned the fierce J.V.'s, 39 - 46, 30 - 66, 44 - 46 respectively. However, the Cats regrouped and regained their composure and style to win four of the final six games, only losing to York Suburban and York Catholic.

Sophomore Steve Fitz led the Wildcats in rebounding and scoring, while Sonny Sullivan racked in the best percentage of shots made. These two plus Gene Slattery, Dave Nicholson, Mike Schildt, and Gary Markey served as starting players. Also adding to the team were Joe Zero, Mike Schilling, Chris Baugher, and Randy Carter.

The 1980 Girl's Varsity Basketball team again saw a winning season, finishing with a record of sixteen wins and six losses. Their setbacks came from Central, Southwestern, York Suburban, and York Catholic. Strong points of the team were its depth and defensive abilities. Varsity starters included juniors Julie Weidner, Jane Weidner, Cindy Phillips, and Diane Blouse, and senior Cindi Mummert, along with co-captains Pattie Kraft and Roseanne Givler. They saw action in several night games this year. Reflecting back over the season coach Pip Henry commented, "Although we didn't do as well as I had expected, I was pleased with the season. We'll certainly miss the seniors next year but will have a lot of good players back and are optimistic about the season."

J. V. dribblers finished with the same 16-6 record as varsity and will supply talented players to varsity next year.

JUNIOR HIGH BASKETBALL

This year's Junior High team had a 7-7 record in league play and a 1-1 record in exhibition for an overall performance of 8 wins and 8 losses. The team also had the honor of playing in the first Junior High tournament held at Eastern High School over Christmas vacation. They defeated Columbia in the opening round, and then lost to Donegal in the championship game. The team has three returning players and is looking forward to an outstanding 1980-1981 season.

The Junior High Track League last year was extremely balanced among all teams. The scores of most meets league wide were very close. In Dallastown's three losses, a switch of a few positions at the finish line meant the differences. The coaches both stated that the senior high team will be receiving an outstanding group of runners this year and look forward to another successful season with the upcoming team.

TAKE IT TO

Val,

I'd a great dround and terrific cheerleader. Remember all the fun we had this year. like in Mrs Harmon's homeroom and with cheerleading especially at camp. I know this year we will have even more fun. This is kinda hard to read but I hope you can. Good luck with everything you do. With your good ways and personality I know you'll go far. Take care of yourself and Remember me always.

VAL,

TO A GREAT AND SWEET GIRL I REALLY GOT TO KNOW THIS YEAR. I HOPE THAT YOU STILL CONSIDER ME AS YOUR FRIEND. I STILL CONSIDER YOU AS MY FRIEND. MAYBE IN DUE TIME, LIKE THIS SUMMER WE CAN GET BACK TOGETHER. REMEMBER ALL THE GOOD TIMES WE HAD TOGETHER WHILE GOING WITH EACH OTHER. AFTER WE BROKE UP WE STOPED TALKING TO EACH OTHER, AND I THINK THAT YOU STILL DON'T CONSIDER ME YOUR FRIEND. THE TIME WE BROKE UP I WAS NEVER THREE TIMING YOU. I BROKE UP WITH RHONDA AND THEN I WENT WITH YOU, AFTER THAT RUTH CALLED MY HOUSE WHILE I WAS GOING WITH YOU. REMEMBER THE TIME WHEN I TOLD YOU SOME RUTH GIRL CALLED. I DIDN'T GO WITH HER THEN. I WENT WITH HER TWO DAYS BEFORE I BROKE UP WITH YOU. THAT IS THE WHOLE TRUTH, I SWEAR ON THE BIBLE. JUST REMEMBER ALL THE GOOD TIMES WE HAD TOGETHER. GOOD LUCK IN THE FUTURE AND HAVE A WONDERFUL SUMMER. KEEP IN TOUCH, (HINT, HINT)

This page has been set aside to recognize the accomplishments of the Senior Class of 1980. It is a dedication to hard working, responsible, determined class that has led Dallastown into a new decade of ideas and challenges.

Our class has seen many changes in the four years we have inhabited the halls of D-Town. We have seen administrative changes, faculty changes, changes in our Constitution, changes in the dress code, and changes in school policies. Instead of sitting around and having the same old senior year like other classes before us, we helped make changes and added variety to school life. These changes were made possible by the efforts of the administration and the faculty who both have been working hard to change our school for the better. Our Senior Class can be proud to be a part of such a program and should also be proud of itself for getting Dallastown into the 1980's on the right foot.

Our class started the game of high school life as a beginner, afraid to take chances, weary of our moves, and unsure of the rules. We looked in awe at Senior players of the game, who it seemed knew anything and everything about it. We looked forward with hope and anticipation to our next turn, when we would be more experienced and knowledgeable about what was going on.

Our next turn finally did come and with much relief we left the frustrated ranks of the inexperienced to join the amateurs. The amateur knew the rules of the game and had played before, but needed more practice and finesse before he was seriously considered as a competitor. The best thing about being an amateur player was that you weren't a bumbling beginner. Gaining experience in anything takes a long time and it seemed forever before our next turn.

After this next turn the realization hit us that we were actually human beings. We had now become semi-pro's of the game.Others looked up to us with admiration and respect. We had suffered long hard hours to get where we were and now it was paying off. The rank of Senior player now seemed for the first time within reach.

At last our turn had come, the long awaited day when we would turn Senior players. All that anticipation and waiting and what did most of us feel - nothing. We felt the same. Nothing magical happened, the major fact was that we had been changed from a half-witted beginner to an experienced player so gradually that it wasn't noticeable. As Senior players we found the game easier and the object less challenging to us. As we looked at the game cover we noticed the recommended grades for players was 9- 12 and realized that we had grown too old for the game and now must move on to a more challenging one,the game of our futures.
